TESTS

Test requirements
DEKRA K242:2025

Test result
The test results are documented in DEKRA test file 624801800.

Additional information
The testing and evaluation results documented in test report 6248018.001 indicate that GoodWe SEMS+ has been assessed against the K242 standards, in reference to Privacy Management Framework 2020 and General Data Protection Regulation (EU) 2016/679 (GDPR).

Conclusion
The examination has confirmed that all requirements were met.

Unique Identifier
The DEKRA Seal has been updated with a modern look. This certificate exclusively features the new seal, which must be used for all new certifications going forward. Please ensure this version is used consistently for all future certifications to maintain a clearer and more contemporary representation.
